## Coat Of Arms

*The coat of arms designed for Maheshwari Public School incorporates elements which make it easily recognizable - games equipments in the lower quarter, a Shivalinga in the foreground with a book behind it, rising sun with 'M.P.S.' in it and the proud name of the School encircling the monogram are its main attributes.*

*The Lord's attribute represents victory over the demonic activity and calmness of human nature. Students under the blessings of Lord Shiva achieve all round development in M.P.S. On the top is the coat of arms of Maheshwari Public School symbolising our endeavours to reach the pinnacle of excellence. The rising sun above the book spreads out the bright rays of Knowledge, Wisdom and Learning which the students of M.P.S. strive for.*

## Chairman's Message

**"THE HIGHEST EDUCATION IS THAT WHICH DOES NOT MERELY GIVE US INFORMATION BUT MAKES OUR LIFE IN HARMONY WITH ALL EXISTENCE."**

— RABINDRANATH TAGORE

Education is a process that cultivates an individual's character and reveals their latent potential; it is not only a means of acquiring knowledge. The goal of MPS is to develop students who can think for themselves, serve others with empathy and turn knowledge into the art of life. Our vision is rooted in the belief that every child is a reservoir of potential, waiting to be tapped through meaningful experiences and compassionate guidance. We aim to create an environment where learning is not confined to the classroom but extends to life itself—where students learn to question, reflect and grow.

In today's rapidly evolving world, the true purpose of education lies in nurturing creative and critical thinkers—individuals who can question deeply, imagine boldly and act responsibly.

"Education is the manifestation of perfection already in man," according to Swami Vivekananda, and we are committed to bringing that perfection to light. In MPS we believe that education is a lighthouse that illuminates both the present and the future. We coordinate our activities with the Sustainable Development Goals (SDGs) in keeping with this mindset. Our pupils are guided by four pillars: quality and inclusive education, health and well-being, gender equality and environmental conservation. Through eco-conscious initiatives, inclusive practices and interdisciplinary projects, we empower students to become thoughtful global citizens who care for the planet and each other. Equally important is our commitment to Social-Emotional Learning (SEL). We believe that empathy, resilience and self-awareness are as vital as academic achievement. Our activities and interactions are designed to foster emotional intelligence, ethical decision-making and a sense of belonging. As articulated in NCERT's Class VIII English poetry 'Geography Lesson' let us acknowledge that understanding the world begins with understanding ourselves and our place in it. Our mission is to help students discover that place—not just in terms of career, but in terms of character.

Regards,

*Sri Gopal Rathi*

## President's Message

"Do not train a child to learn by force or harshness; but direct them to it by what amuses their mind."

These words by Plato appropriately hold the quintessence of our objective at Maheshwari Public School, Ajmer, as it advocates nurturing curiosity as a path to grow. This philosophy resonates deeply with our curiosity-driven approach that encourages an engaging and interactive learning environment.

In contemporary society, the landscape of education is undergoing an insightful transformation. In light of this, we prioritize an educational approach that not only imparts knowledge but also cultivates curiosity, creativity and critical thinking. We nurture young minds in such a manner that they are open to communication and collaboration.

The 21st century mandates a different range of talents and proficiencies. At Maheshwari Public School, Ajmer, we are determined to equip our students with an arsenal of tools that fosters an unquenchable thirst for enquiry, eventually preparing them for the upcoming fast-paced era. Aligning with the mandates of NEP 2020 we focus on developing cognitive, social and emotional skills like problem-solving, empathy and cultural awareness. Our accentuation on STEM education stimulates innovative thinking and prepares students to become future innovators. We entice our students in hands-on activities and real-world challenges, making learning more relevant and practical.

This message is a morale boost to all MPSites to view their education not just as a mundane requirement but a path to attain comprehensive growth. They should be well versed in all the domains. Our curriculum is designed to emancipate each child's intrinsic potential. We will continue to innovate, adapt, and evolve to meet the changing needs of our students and world around us. We must induct our children with the requisite skills to not merely survive but to flourish. "Life has to be a constant aspiration, a constant growth.", these words of Sri Aurobindo serve as a benchmark for our institution, igniting the fire within our students to pursue their goal with relentless focus.

## हमारे प्रेरणा स्रोत

### महेश शिक्षण संस्थान के सचिव महोदय की कलम से.....

बचपन अथवा विद्यार्थी काल जीवन का वह स्वर्णिम काल है जब कल्पनाएँ उड़ान भरने लगते हैं, सपनों को पंख लग जाते हैं और हृदय मुक्तकाशी रंगमंच पर थिरकने लगता है। मानव जीवन के इस सर्वाधिक महत्वपूर्ण चरण में बच्चे अपने सपनों को आकार देने लगते हैं। वे विभिन्न अवसर तथा संभावनाओं की तलाश करते हैं और तदनुरूप मौका आने पर पूरी क्षमता से उभर कर सामने आते हैं। विद्यालय वह मंच है जहाँ विद्यार्थी के भीतर छिपी प्रतिभा को निखारने का अवसर मिलता है। कला और साहित्य विद्यार्थियों के बहुआयामी विकास के साधन हैं। शिक्षा बालक को बुलंदियों तक पहुँचाने का सोपान है। यह पुस्तकीय ज्ञान तक सीमित न होकर जीवन जीने की कला सिखाती है। सामूहिक गतिविधियाँ तथा समाज-सेवा के कार्य विद्यार्थी को समाज के प्रति उत्तरदायी नागरिक बनाते हैं।

विद्यार्थी सरिता है, अनुशासन उसका तटबंध है।

परिश्रम नाव है, विद्यार्थी उसका नाविक है।

जो परिश्रम की पतवार थाम कर चलता है।

इतिहास में अपना नाम वह अमर करता है।

विद्यार्थी जीवन वह दीपशिखा है जो यदि अनुशासन, परिश्रम और आदर्शों की आभा से आलोकित हो तो राष्ट्र का भविष्य प्रकाशमान हो जाता है। इतिहास साक्षी है कि डॉक्टर ए.पी.जे. अब्दुल कलाम, स्वामी विवेकानंद, रामकृष्ण परमहंस तथा महात्मा गांधी जैसे महापुरुषों ने परिश्रम तथा तीव्र इच्छाशक्ति के बल पर विश्व को नई दिशा दी। यकीनन शिक्षा की कुंजी सफलता के द्वार खोलती है। विद्यालय व्यक्तित्व निर्माण की प्रयोगशाला भी है। इस प्रयोगशाला में विद्यार्थी काल में सपने बीज बनकर अंकुरित होते हैं और परिश्रम की धूप में पल्लवित होकर वृक्ष बनते हैं। खेल, साहित्य, विज्ञान और कला ये सब शाखाएँ जीवन को संतुलित एवं समृद्ध बनाती हैं।

अतः जीवन में हमेशा महान उद्देश्य रखना चाहिए। छोटे लक्ष्य साधारण उपलब्धियाँ देते हैं लेकिन बड़े लक्ष्य इतिहास रचते हैं। आकाश को छूने की चाहत पंखों को बल देती है। बालकों में समय-समय पर पनपने वाले नए विचार, नए प्रयोग और सृजनात्मक दृष्टिकोण ही नई धाराएँ हैं, जो एक निश्चित लक्ष्य तक पहुँचाती हैं।

अतः क्षितिज को पाने के लिए उड़ान भरना जरूरी है, एक ऐसी उड़ान जो आकाश की सीमा को नापने में सक्षम हो।

जय महेश!

## हमारे मार्गदर्शक की कलम से.....

मानव जीवन की सफलता का आधार यदि किसी एक तत्व को माना जाए, तो वह निःसंदेह कठिन परिश्रम है। भाग्य, परिस्थितियाँ, अवसर या संसाधन ये सब अपनी जगह महत्त्वपूर्ण हो सकते हैं, परंतु सफलता का वास्तविक द्वार उसी के लिए खुलता है, जो निरंतर प्रयासशील रहता है। यही कारण है कि कहा जाता है "कठिन परिश्रम का कोई विकल्प नहीं होता।"

कठिन परिश्रम व्यक्ति के भीतर अनुशासन, आत्मविश्वास और दृढ़ता को जागृत करता है। जो व्यक्ति कठिन परिस्थितियों में भी लक्ष्य की ओर बढ़ते रहने का साहस रखता है, वही महान उपलब्धियों को प्राप्त करता है। इतिहास साक्षी है कि चाहे विज्ञान के क्षेत्र में आविष्कारक हों, खेल जगत के सफल खिलाड़ी हों या समाज सुधारक सभी ने अपने जीवन में संघर्ष और कठिन परिश्रम को मार्गदर्शक बनाया। उनकी सफलता किसी संयोग का परिणाम नहीं, बल्कि दिन-रात किए गए अथक प्रयासों का फल है।

भाग्य कभी-कभी अवसर प्रदान कर सकता है, परंतु उन अवसरों का सदुपयोग केवल वही व्यक्ति कर पाता है, जो परिश्रम के मूल्य को समझता है। आलस्य और निर्भरता मनुष्य की सबसे बड़ी शत्रु होती हैं। जो लोग आसान रास्तों की तलाश में रहते हैं, वे मंजिल से पहले ही थक जाते हैं। इसके विपरीत, जो लोग कठिनाइयों को चुनौती मानकर आगे बढ़ते हैं, वे स्वयं अपना भविष्य गढ़ते हैं। कठिन परिश्रम का महत्त्व केवल सफलता प्राप्त करने तक ही सीमित नहीं है; यह व्यक्ति को मानसिक रूप से भी मजबूत बनाता है। परिश्रमी व्यक्ति में धैर्य, सकारात्मक सोच और आत्मानुशासन स्वयं विकसित हो जाते हैं। ऐसी गुण-संपन्नता जीवन के हर क्षेत्र में सफलता दिलाती है - चाहे वह शिक्षा हो, व्यवसाय हो, कला हो या सामाजिक जीवन।

अतः स्पष्ट है कि जीवन में महानता प्राप्त करने के लिए कोई शॉर्टकट नहीं होता। यदि कुछ है, तो वह है - लक्ष्य के प्रति दृढ़ विश्वास, निरंतर प्रयास और कठिन परिश्रम। यही सफलता का मूल मंत्र है, जिसका कोई विकल्प आज तक न था और न कभी होगा। कठिन परिश्रम वह पूँजी है, जिसका मूल्य हर समय और हर क्षेत्र में सर्वापरि रहता है। जो व्यक्ति परिश्रम को अपना धर्म मान लेता है, उसकी सफलता निश्चित होती है।

इसीलिए कहा गया है कि -

कर्मणैव हि लभ्यते सिद्धिः, न हि सौभाग्यतः क्वचित्।  
यस्यास्ति नित्यः प्रयासः, तस्यैव विजयः ध्रुवम्॥

“Success is the sum of small efforts, repeated day in and day out,” and today, we stand united to celebrate our institution’s accomplishments.

MPS has continued to strive for excellence with a commitment to holistic education. Our current strength stands at 3039 scholars, across classes Nursery to XII, housed in 86 digitally equipped smart classrooms. The school has 121 trained and qualified teachers, 11 administrative members, and 35 multi-tasking support members. The institution proudly serves the society by offering a bright future to 25% of its students admitted under the Right to Education Act (RTE).

This year, a significant addition to our infrastructure has been the inauguration of a state-of-the-art Artificial Intelligence AI Lab. Equipped with an Interactive Flat Panel (IFP), 50 PCs with the latest i5 13th-generation processors and latest XEON server.

As Albert Einstein wisely said, “Strive not to be a success, but rather to be of value.” Our students have truly embodied this spirit, performing exceptionally well in the Board exams 2024 conducted by CBSE. Out of 148 students who appeared for Class XII Board exams, 26 students scored 90% and above. We take immense pride in announcing the top three rankers: Master Riyansh Bulchandani with 96.8%, Master Dhruv Maheshwari with 97.6% and Master Prince Bharadia with an outstanding 99%. A special mention must be made of Prince Bharadia, whose remarkable performance has not only made us proud but also placed

him at the top of the entire city of Ajmer. His achievement of 99 percent marks is the all-time high and highest ever for MPS.

Similarly, 69 out of 258 students secured 90% and above in the Class X Board exams 2024 conducted by CBSE. The top three performers were Chhavi Agarwal, Ishika Kewalramani, and Kanishka Yadav with 97.8% each, Shagun Thakur with 98% and Chaitanya Mittal with 98.8% marks. Molesh Khandelwal of class XII D had the same scholarship renewed this year too.

Music is a beautiful expression of one's soul, resonating with audience and leaving a lasting impression. I am honored to recount that Kaveesh Maheshwari of class VII A secured a perfect score of 100% in the International examination conducted by Trinity College of London, Ajmer Chapter, breaking all records by achieving the impossible.

Esteemed guests, our scholar Eshaniya Soni of class IX D is one amongst 23 students who got selected at National Level in class IX and X category in the first Expression Series conducted by CBSE for the session 2024-25. Kaveesh Maheshwari of class VII A, Eshaniya Soni of class IX D and Divyaman Kumar Rai of class X D received appreciation certificates for their creative art forms in their respective groups in the same competition at National level.

Strong bodies and sharp minds form the perfect equation for success. And success on the field is defined by MPS students in their own impressive way.

Ladies and gentlemen, MPS has been scaling marvelous heights in sports every year, and I am

delighted to announce the outstanding achievements of our students. Their commitment to excellence has established a formidable image of our school, and we couldn't be prouder.

Another educational tour to Nainital was organised from 23rd to 27th Nov. 2023 for 120 students of classes VI-XI. Even the 45 young students of classes III to V were sent on an educational tour to Kumbhalgarh, Udaipur, Nathdwara and Haldighati from 2nd to 4th December 2023.

Respected audience we take great satisfaction in reporting that the Excelsior Award, a visionary initiative launched last year to recognize the exceptional achievements of our students exclusively in the domains of visual art, performing art and sports, has rapidly become a symbol of pride for our institution. Last year, 16 outstanding students were bestowed with this prestigious title, and this year, the award has expanded its reach, honouring 23 extraordinary individuals. Each recipient will be presented with a distinguished memento, certificate, prize, and a special set of uniform marked by an exclusive Excelsior Awardee badge, signifying their remarkable accomplishments. This award continues to elevate the standards of excellence, inspiring the entire school community to strive for greatness.

Throughout the year, several inter-house activities were conducted, fostering healthy competition among the students. This year has been marked by outstanding achievements where each house participated with unwavering enthusiasm, displaying remarkable skill and sportsmanship. The competition was intense, with all four Houses performing exceptionally well, proving their mettle at every step. The margins between the final rankings were incredibly close, with even the house in fourth place trailing the first by only a small difference. This spirit of determination and teamwork was a testament to the dedication and unity that define the students of Maheshwari Public School.

It is inspiring to share that Maheshwari Public School ranked number 1 in Ajmer in CBSE day school's category by Career 360 magazine in its February 2024 monthly publication. This accolade stands as a testament to the dedication and excellence demonstrated by our entire MPS community, including students, parents, faculties, administrators, and management. It reaffirms our unwavering commitment to providing outstanding education and guidance, nurturing each student toward a successful future. We extend our heartfelt gratitude to all the stakeholders.

When it comes to expansion of our dreams, how can I forget to mention our dream project of helping our newly set up sister school at Chachiyawas. It is with great happiness and pride I share with you all that we have been successful in getting the CBSE affiliation for the school up to senior secondary level for all the three faculties Science, Commerce and Humanities.

The project on building a new Pre-Primary block which was on demand for some time has finally taken off and soon it will take the shape of a beautiful 4-storeyed building with provision of 10 classrooms with basic amenities. The whole block would be centrally air-conditioned where one part will be dedicated for indoor games including 10-metre shooting range and the top floor would be set for a music theatre.

Our auditorium is undergoing a major aesthetic makeover as we have plans of making it equipped with latest extremely high definition auto recording cameras for various programmes to go LIVE and the full wall LED Video Panel.

In the spirit of excellence, we are excited to announce that our school is upgrading its digital

teaching infrastructure by replacing the Teach Next digital overhead projection system with Interactive Flat Panels (IFPs). IFPs are advanced, interactive display technologies designed to enhance ease of digital teaching and learning.

IFPs provide higher resolution, multi-touch capabilities, integrated computing functions, and seamless connectivity with educational software and applications, thereby fostering a more engaging and collaborative learning environment.

MPS has started School Health and Wellness and Disaster management Programs as per guidelines of UNESCO and CBSE.

Maheshwari Public School family mourns the untimely loss of its trustee and esteemed former Secretary, Sh. Prem Chand ji Mundra. His sudden demise has left us shocked and saddened. The departed soul is not only a loss to this institution but it is a loss to the entire Maheshwari community. A visionary leader, he dedicated himself to the holistic development of our institution MPS. His kindness, empathy, and profound understanding of human needs and behaviour made him a beloved figure. His humility and compassion inspired countless lives. May his legacy continue to guide us all.

The journey of achievements, accomplishments and triumphs can be onerous yet exhilarating due to the accolades won and enjoyed en route but it is continuous. More so, because it is also interspersed with failures and setbacks which are a reminder of the learning of humility in the face of final winnings.

Therefore, I, who has been deeply involved in every triumph and setbacks of my beloved institution called MPS, bow before you all in the acknowledgement of each one's hearty contribution in making it what it is today as I feel profoundly indebted to all its stakeholders.

## Principal's Message

As we navigate the complexities of the 21st century, the education landscape is undergoing a profound transformation. The rapid pace of technological advancements, shifting societal needs, and evolving economic landscapes are redefining the way we learn, teach, and grow. In this era of unprecedented change, it is imperative for educational institutions to adapt, innovate, and empower students to thrive in a dynamic future.

At Maheshwari Public School Ajmer, we firmly believe that the key to success lies in perseverance, hard work, and dedication. As the adage goes, "In the presence of trouble, some buy crutches, while others buy wings," we strive to instil in our students the resilience and determination to overcome challenges, to transform their scars into stars, and to emerge as confident, compassionate, and responsible individuals. By fostering a culture of academic excellence, creativity, and holistic growth, we aim to equip our students with the skills, knowledge, and values necessary to succeed in an ever-changing world.

As a temple of learning, we recognize that a school's role extends beyond academics. The synergy between academic and parental learning is crucial for a child's holistic growth. By fostering this partnership, we can empower our students to soar to new heights and make a meaningful impact in the world. In our hands, we hold the key to an extraordinary future. We are confident that our students enriched with a high morality and social responsibility will be makers of a virtuous society. In the words of Albert Einstein, "Education is not about learning of facts but training young minds to think", we at MPS, wish to enhance these young minds to think, kindle their dreams and achieve their aspirations. We aim to create a supportive and inclusive environment where students are encouraged to explore their potential and achieve their personal best in all aspects of school life. We value collaborative learning, positive relationships and building capacity amongst our students to engage in the world of the future, where problem-solving, evaluating, working in teams, communicating, creating and innovating are not only valued concepts, but expected skills, attributes and capabilities.

Eleanor Roosevelt's inspiring words, "The future belongs to those who believe in the beauty of their dreams", serve as reminder to our students to pursue their aspiration with passion and conviction. Beyond academics our school excels in inter-school cultural and sports competitions, promoting all round development and 100% participation across all levels. Our curriculum is carefully crafted to reflect the principles of NEP 2020 and NCF 2020 providing students with a well-rounded education that prepares them for success in a constantly evolving world. There are many milestones ahead, which the school is marching towards and shall definitely reach the zenith in coming years.

"The future is not some place we are going, but the one we create. The path to success is not found, but made...."

I take this opportunity to congratulate the staff and the students for their commendable efforts in bringing the school to this level of excellence. I am equally grateful to parents for their patronage and belief in us.

With Warm Regards and Best Wishes.

(Dr. R.K. Srivastava)

## EDITORIAL

As the school steps into another year of endless possibilities, I am reminded of the intellectually stimulating thought by Ralph Waldo Emerson: “Man’s mind, once stretched by a new idea, never shrinks back to its former shape.” There has been a plethora of ideas that have vied for the attention of the minds that run the school, are guided by its governing bodies, and are accustomed to realising their vision of a better educational system. Yet, the selection and execution of each novel or extended idea leave no scope for retreat.

The school embarks on its yearly journey of growth with a well-planned itinerary that can be traced nostalgically in the form of wondrous records, euphoric moments of triumph, formidable challenges, and a firm resolve to mend the broken—all woven delicately into a tapestry of aesthetic beauty called 'Images'. Its magnificence is a reflection of the artistic endeavour and relentless hard work of the team behind it, which not only curates the best of the school’s triumphs for all to appreciate and applaud, but also sets an exemplary record by touching every nook and corner of the vast structure of 'Advancement'.

I congratulate the team for producing yet another masterpiece and express my gratitude to the authorities for their patience and unwavering support. It is their quiet encouragement that ensures the pictures in 'Images', brimming with emotions, never fade, and the ink that sings the eulogy of the school’s successes never runs dry. Their belief that “The future belongs to those who believe in the beauty of their dreams” helps keep our dreams alive.

Warm regards,

**Seema Mishra**

The key attractions there were the Bal Vatika, a garden with swings and slides for children; Theme Garden with specially curated display of Winter Annuals; Bonsai Garden with 360 bonsai plants, East Lawn and Central Lawn consisting of roses, tulips and 70 varieties of seasonal flower beds; Circular Garden consisting of marigold, viola and pansies; and Babbling Brook that offered serene water feature in the Amrit Udyan. All these lifted the spirits of the students who learnt a number of names of flowers and a variety of species of plants. Later, the group immersed itself in an entirely new world of Rashtrapati Bhavan Museum where they witnessed informative visual treats like scenes of Jaliawala Bagh, Salt March, Non-cooperation Movement, life-like statues of Indian Presidents, display of souvenirs received by them from all over the world and many more; that made them connect their knowledge from text book with the evidence shown in real in the museum.

### **Educational Tour to Kota**

Travel is the best teacher. It brings learning to life, turning textbooks into experiences and curiosity into knowledge. A two-day, one-night educational tour to Kota Oxyzone City Park, Garadia Mahadev, Trikuta Temple and Chambal River Front was organised on 4th November for students of Classes III to V. Forty students went to tour, accompanied by four teachers. The group departed from school at 7:00 a.m. with great excitement and enthusiasm. On the first day, students experienced a tranquil Shikara boat ride along

the serene Punting Canal in the Garden of Joy. The peaceful surroundings and joyful moments of boating brought immense delight to everyone. The group also explored the Oxyzone City Park, popularly known as the 'Garden of Joy,' which offered refreshing greenery and a calming atmosphere. On the second day, the students visited the spectacular Garadia Mahadev View Point, which presented a breathtaking view of the Chambal River and the surrounding plains and gorges. The final stop was the sacred Maa Trikuta Devi Temple, where students had a chance to reflect and appreciate the spiritual aspect of the trip. This tour not only allowed students to connect with nature and heritage but also encouraged self-reliance, planning, and teamwork. It was a memorable experience that left a lasting impression on all the participants.

## The Ecoskool Adventure Camp

The old English proverb *'All work and no play makes Jack a dull boy'* means lack of balance between work and relaxation makes a person dull from a holistic standpoint.

Keeping this in mind, the school organised a **day full of adventure and fun for our students of Classes I to VI.**

This in-school adventure camp was conducted successfully on **10 October 2024 (Thursday).**

After receiving the consent from parents for their ward(s), **456 students** actively participated in this camp. The energetic and spirited participation of the students in all the activities was excellent and worth watching.

**Trained professionals from THE ECOSKOOL ADVENTURES** conducted a series of 19 age-appropriate yet adventurous activities like – Zipline, Sumo Fight, Wall Climbing, Body Zorb, Trampoline, Dancing Bamboo, Vertical Bridge, Commando Crawl, Diagonal Rope Ladder, Burma Bridge, Hop Scotch, Tarzan Swing, etc to name a few.

Through these activities students learned to coordinate their body movements, exhibited teamwork and above all they were involved in physical activities which is the need of the hour for our children.

## Reunion of Golden Years : Batch 1993-1999

Our school organised a memorable Alumni Meet on 25th April, 2025 to reconnect with its proud alumni who studied between 1993 and 1999. A total of 27 alumni graced the occasion, representing various fields such as corporate, teaching, chartered accountancy, and many more.

The event began with a warm welcome ceremony, creating an atmosphere of nostalgia and excitement. The program commenced with the traditional lamp lighting, accompanied by a melodious Vandana, seeking blessings for success and prosperity.

As a token of love and remembrance, souvenirs were distributed to all alumni. This was followed by an interactive session where the alumni shared their experiences — recounting their school memories, career journeys, and life lessons that inspired the current students.

Our Principal Sir Dr. R.K. Srivastava delivered an insightful and encouraging speech, expressing immense pride in the achievements of the alumni and highlighting the role of the school in shaping their futures.

In the next segment, students eagerly asked questions related to career guidance, managing stress, and life skills. The alumni patiently answered, providing valuable advice from their personal experiences.

The cultural spirit of the school came alive with a beautiful rhythmic performance by the students, mesmerising the audience. A heartfelt speech was delivered, thanking the alumni for their inspiring presence and sharing how such interactions motivate the current batches.

After the formal programme, everyone enjoyed a lively high tea session, filled with conversations and laughter. The event concluded with a school tour, where alumni visited their old classrooms, playgrounds, and favourite spots, reliving their golden days.

The Alumni Meet was a resounding success, strengthening the bond between the past and present of Maheshwari Public School and leaving everyone with smiles and fond memories.

## Beacons of Service and Devotion

### Farewell to Ma'am Pushpa Jain

On June 30, 2024, Maheshwari Public School held a heartfelt and dignified farewell ceremony in honour of Mrs. Pushpa Jain, Senior Hindi Teacher, marking her retirement after 32 years of devoted service.

Renowned for her deep insight into Hindi literature, unwavering love for her students, and disciplined teaching style, Mrs. Jain was appreciated for her remarkable contribution to the institution.

The event began with the lighting of the ceremonial lamp and a soulful rendition of the Saraswati Vandana. In his moving address, sir Principal Dr. R. K. Srivastava praised Mrs. Jain as a "living embodiment of the ideal teacher," calling her guidance truly unforgettable.

Colleagues paid heartfelt tributes, sharing memories of the moral values, linguistic finesse, and cultural awareness they absorbed under her mentorship. Teachers from both the Hindi and Sanskrit departments fondly recounted how she shaped not only their craft but their lives.

In her farewell speech, Mrs. Jain reflected: "Teaching has been more than a profession for me—it has been a spiritual pursuit. I consider myself fortunate to have worked among such erudite and sensitive colleagues and students."

The campus was filled with emotion as everyone celebrated the graceful conclusion of a distinguished teaching career—and took comfort in knowing that a true educator had fulfilled her mission with dignity and devotion.

### A Touching Farewell for Bhanwar ji

On June 30, 2024, Maheshwari Public School hosted an emotional farewell ceremony to honour Mr. Bhanwarlal—affectionately known as "Bhanwar ji"—on his retirement after years of dedicated service as the school bus driver.

For 29 remarkable years, Bhanwar ji served the school community with integrity, vigilance, and warmth. He was more than just a responsible driver—he became a mentor, protector, and part of the school family. His timely and safe transportation of students, combined with his unfailing kindness toward their parents, earned him a reputation that was both unique and deeply cherished.

Sir Principal, Dr. R. K. Srivastava, praised Bhanwar ji for his exemplary behaviour, unwavering service, and strong sense of duty. Teachers, staff, and students shared heartfelt anecdotes, calling him "the backbone

of our school family."

In his farewell speech, he said: "The affection, respect, and love I have received here are the greatest treasures of my life. I will always remain grateful to this family."

The ceremony concluded on an emotional note, but everyone united in their wishes for his bright future, robust health, and a long, fulfilling life.
